

Introducing Inspector Tox

Inspector Tox talks to the children about Paracelsus

Inspector Tox discussing the concept of toxicity as viewed by ancient man, and modern man

Toxic Scene 1: In the House

Mixing bleach and ammonia is NOT a good way to make a “super” cleaner!

Toxic Scene 3: A Day at the Beach

Featuring UV radiation, alcohol consumption and the famous jellyfish attack.

Inspector Tox and Goldie the Golden Retriever share an educational moment with the audience

Toxic Scene 2: Out in the backyard

The bee sting got some chuckles from audience and crew alike.

The NYC Poison Control Center provided excellent posters and giveaways for the kids. Is it Candy or Medicine? was one of the posters provided

Our dedicated cast and crew...
No question they are the BEST!
